re: Ebony & Ivory #1 mining claim
Project ID S270057

Greetings,

Per our conversation this morning I have elected to pay the State of Utah \$300.00 for the annual permit fees and \$5,00.00 to pay Jack Roberts delinquent fees so that Northern Stone Supply, Inc. can be released from any further obligations. Please send me the transfer of operator forms so that we can accomplish all of that in a timely way and get the state paid.

Sincerely,

Gary Muffard
President
